Havana CASINO Night

1 SHEAKLEY WAY, SPRINGDALE OH 45246 FUNDRAISER FOR BYOC YOUTH

Event Objective:

Join us for an unforgettable evening of fun, games, and giving back! BYOC's Casino Night Fundraiser is your opportunity to support our mission of empowering youth through STEM education while gaining valuable exposure for your organization. This will be a unique and enjoyable experience for attendees, combining the thrill of casino games with the satisfaction of supporting a worthy cause.

The primary goal is to generate financial support for BYOC programs, which provide resources, scholarships, and educational opportunities in STEM fields to students. These funds will help ensure that students have access to the tools and experiences necessary for their growth and development.

It will also serve as a platform for community engagement, bringing together supporters, local businesses, and community members for a night of entertainment and networking. This fosters a sense of community and shared commitment to a common cause.

The event allows BYOC to recognize and appreciate sponsors, donors, volunteers, and other stakeholders who support BYOC's mission. It's an opportunity to celebrate their contributions and show gratitude for their support.

Target Audience: Adults - ages 21+

Marketing: BYOC will promote your organization as outlined in the summary "Why Partner With Us".
